**Carter 2007 Revilo Vineyard
Cabernet Sauvignon (Napa
Valley)**

This is a big, rich, dramatic Cabernet. The underlying fruit is spectacular, offering tiers of blackberries, black currants and cocoa, while 100% new French oak aging lends strong, but balanced, layers of toast. The tannins are ripe and sturdy, yet very finely ground. Really a beautiful example of the modern style, and should develop over the next six years. —
