

**2001 Carter Cellars Cabernet
Sauvignon Beckstoffer To Kalon
Vineyard**

A brilliant wine from this renowned site, this youthful 2001 exhibits a dense purple color, classic notes of creme de cassis, cedar, licorice, camphor, graphite and a full-bodied, young, vigorous mouthfeel. Purity, texture and length are all present in this beauty, which is just becoming approachable at age ten. It should last another 12-15 years at minimum. Brilliant!
