

2016 Carter Cellars Cabernet Sauvignon Carter

The 2016 Cabernet Sauvignon Carter Carter is a beauty and is a mix of all the single vineyard releases. Offering a ripe, powerful style, with smoking notes of chocolaty dark fruits, camphor, licorice, and spice, it hits the palate with a full-bodied, layered, opulent style. Showing the purity and elegance of the 2016 vintage as well as serious oomph and decadence, it's a beautiful wine that's certainly in the same ballpark as the single vineyard releases.
