

**2018 Carter Cellars Cabernet  
Sauvignon Carter**

---

A killer effort, the 2019 Cabernet Sauvignon Carter offers that rare, magical mix of opulence, power, elegant, and freshness that you rarely come across, offering a kaleidoscope-like array of crème de cassis, toasted spice, dried violets, blackberries, smoked tobacco, and a distinct sense of minerality, it's a beast of a wine on the palate that somehow stays beautifully balanced, elegant, and seamless. It's impossible to resist today yet should cruise for two decades.
