

**2016 Carter Cellars Cabernet
Sauvignon Fortuna Vineyard**

The 2016 Cabernet Sauvignon Fortuna Vineyard is a ripe, forward, full-bodied effort that offers lots of creme de cassis, eucalyptus, chocolate, and floral aromas and flavors. Showing more blue fruits with time in the glass, it has a rich, full-throttle attack, good mid-palate, depth and a beautiful finish. It doesn't have the length of some to the top wines here, but it's a complex, totally satisfying Cabernet Sauvignon. Drink it over the coming 15-20 years.
