**2018 Carter Cellars Cabernet
Sauvignon Fortuna Vineyard**

One of the more forward wines in the lineup, the 2018 Cabernet Sauvignon Fortuna Vineyard sports a deep purple hue as well a big bouquet of ripe plums, Asian spices, leafy herbs, and a touch of flowers. Full-bodied, beautifully balanced, and silky on the palate, it delivers plenty of richness and depth yet has a terrific weightless style. It picks up more structure with time in the glass, so don't let its upfront charm fool you, it's going to keep for 15+ years.
