

**2016 Carter Cellars Hossfeld Coliseum  
Red Blend**

---

From a site that was lost in the 2017 fires, the 2016 Hossfeld Coliseum Red Blend offers classic notes of black cherries, blueberries, crushed rocks/gravel, and chocolate. It's another ripe, powerful wine from this team that holds onto an incredible sense of purity, balance, and elegance. Given the prices these days for top Napa Valley Bordeaux blends, this is a remarkable value that should be snatched up by readers.
