**2018 Carter Cellars Cabernet
Sauvignon Beckstoffer Las Piedras
Vineyard La Verdad**

There are three releases from the Las Piedras Vineyard, an incredible site located just outside of St. Helena, a stone's throw from the Dr. Crane Vineyard. Starting with the Cabernet Sauvignon Beckstoffer Las Piedras Vineyard La Verdad, this awesome wine reveals a dense purple/plum hue to go with a monster-sized bouquet of blackcurrants, camphor, chocolate, crushed stone-like minerality, and loads of Asian spice. Complex, powerful, and nuanced on the nose, it doesn't lose a beat on the palate. This full-bodied, opulent yet concentrated and structured Cabernet is going to benefit from 4-6 years of bottle age and cruise for 20 years or more.
