

**2016 Carter Cellars Cabernet
Sauvignon Beckstoffer To Kalon
Vineyard The O.G.**

The 2016 Cabernet Sauvignon The O.G. comes all from the 337 clone of Cabernet Sauvignon and, like all these wines, was brought up in new French oak. It's slightly more fresh, focused, and chiseled compared to the G.T.O and has building notes of blackcurrants, camphor, scorched earth, chocolate, and graphite, with a beautiful violet character coming through with time in the glass. Deep, rich, full-bodied, and powerful, with perfect balance between its fruit, tannins, acidity, and alcohol, it's a monumental Napa Cabernet Sauvignon that's going to drink beautifully for 2+ decades.
