

**2018 Carter Cellars Cabernet
Sauvignon Beckstoffer To Kalon
Vineyard The O.G.**

In the same realm as the 2016, the 2018 Cabernet Sauvignon Beckstoffer To Kalon The O.G. is a magical wine and reveals a deep purple color as well as incredible cassis and blackberry fruits, loads of violets, spice, and floral nuances, building yet sweet tannins, no hard edges, and a monster of a finish. It shows the purity and elegance that are the hallmarks of the 2018 vintage yet backs it up with stunning concentration, a multidimensional, layered mouthfeel, and an incredible, singular personality. I kept coming back to this wine in my tastings and followed the bottle for two days, at which point we just drank it. It should evolve for 25-30 years.
