## **2015 Carter Cellars Cabernet Sauvignon Weitz Vineyard**

---

Coming from red volcanic soils located just above Backus Vineyard in Oakville, the 2015 Cabernet Sauvignon Weitz Vineyard is undeniably mountain fruit and has a fresh, focused, chiseled style as well as incredible complexity in its black and blue fruits, incense, Asian spice, graphite, and ample crushed rock-like minerality. This beautifully complete, impeccably balanced beauty needs 3-4 years of bottle age yet will keep for 2-3 decades.

---

*Mark Carter and winemaker Mike Smith continue to make a bevy of hedonistic, sexy, powerful wines from throughout Napa Valley. These 2015s are all brilliant wines, yet quantities are tiny due to the dismal yields.*
