Very deep purple-black in color, the 2016 Cabernet Sauvignon Carter begins just a little closed and youthfully reticent before revealing loads of black fruit and earth-inspired notes, including baked black cherries, cassis, blackberry pie and tilled soil with hints of fungi, underbrush, scorched earth and mossy bark. Full-bodied and densely packed with black fruit and earth layers, it has a firm backbone of grainy tannins and a lively line, finishing long and mineral laced. This needs at least 5-7 years and then should drink for the next 30+ years.
