Well, it can't be easy to follow a perfect wine, but the 2013 Cabernet Sauvignon Beckstoffer To Kalon Vineyard The O.G. can. It tips the scales at the end of my scoring system with absolutely magnificent blackberry and cassis fruit, spring flowers, sweet tannin, full-bodied opulence, and a finish that goes on for 50+ seconds. Compelling purity and balance and a mind-boggling overall personality makes it another killer effort from Carter Cellars. This is remarkable wine, and should drink well for 30+ years.
